The elegant Craftsman exterior styling of this new Jager Home sets the tone for a very spacious well designed and beautifully crafted interior that your not likely tire of any time soon. When you first enter, you can hang up your coat in the walk-in closet off the foyer.

You'll be amazed to see a soaring open to above designer staircase with beautiful spindled railings. A conveniently located Den/Office is off the wide hallway that leads to the walk-thru, pantry.

As you enter this gourmet Kitchen with its maple cabinets and polished granite counter tops ,you'll be wowed by the 14' long raised eating bar that suggests it's party time.
The spacious nook offers plenty of dining area for entertaining and opens to a15'x17'6 Great Room with a lovely mantled fireplace.

Walk up the wide stairs and you'll find a vary effective use of space has been applied to this upper floor plan . You're sure to love the 15'2 x 17'8 Master Bedroom featuring a deluxe EnSuite.
